# Transportation Services

Delta Tech General Transporting and Contracting Company offers reliable and efficient transportation services, including the transport of materials and assembly using both heavy and light trucks. We ensure the safe and timely delivery of goods, tailored to meet your logistical needs with precision and care.

## ■ **Transport of Materials Assembly (Heavy Trucks)**

We specialize in the transport of materials and assembly using heavy trucks, ensuring the safe and efficient delivery of large and heavy items. Our fleet is equipped to handle complex logistics, making us the preferred choice for heavy-duty transportation needs.

## ■ **Onshore & Offshore Oil & Gas Fields and Facilities Services**

Our services for onshore & offshore oil & gas fields and facilities include comprehensive maintenance, logistical support, and operational management. We ensure the highest standards of safety and efficiency to support the energy sector.

## ■ **Transport of Materials Assembly (Light Trucks)**

Our light truck transport services offer reliable and efficient delivery of materials and assembly items. Ideal for smaller loads, our light trucks ensure timely and secure transportation, meeting your logistical requirements with precision.

# Maintenance Services

Our maintenance services encompass both preventive and corrective measures to ensure optimal performance and longevity of your systems and infrastructure. We offer routine inspections and proactive care, along with swift, effective repairs to address any issues that arise.

## Preventive Maintenance

Our preventive maintenance services focus on routine inspections and proactive measures to ensure your systems and infrastructure operate efficiently and reliably. By addressing potential issues before they become major problems, we help extend the lifespan of your equipment and minimize downtime.

## Corrective Maintenance

Our corrective maintenance services provide prompt and effective solutions for any issues or breakdowns that arise. Our skilled technicians are equipped to diagnose and repair problems swiftly, restoring functionality and preventing further damage to your systems and structures.

# DELTA TECH

“Excellence in Every Detail”

# All About our Interior Designs

We transform spaces into stylish, functional environments tailored to your unique vision.

We offer personalized designs, comprehensive planning, and expert execution, utilizing the latest trends and high-quality materials to create modern and sustainable interiors. Collaborating closely with our clients, we ensure every detail exceeds expectations and brings your dream space to life.

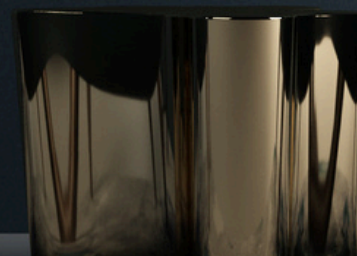

# Join with **JOINERY**

Our joinery services provide custom-made  
woodwork solutions that enhance the  
functionality and aesthetics of your space.

We specialize in designing, crafting, and  
installing high-quality cabinetry, furniture,  
and interior fittings, ensuring precision and  
superior craftsmanship in every piece.

FOR BETTER TOMORROW.
